

Swindling most probable the latter and your name
was by him so freely used and that in connection
with the authority of the Colonization Society
I deemed my duty to inform you of the fact that
the Society or you self might suffer no damage
this is a dangerous man as he professes to be a Christian
a lover of the fast friend to the Colored Race
all of which I believe a false pretence and his
true home should be that of a prison

yours most truly
