Dr James Wall

My Dear Sir

Your favor of the 25th inst is received. Mr Wilbur Fisk Burns is in Middletown, Conn. He recently graduated from the ~~Academical~~ Classical Department of Wesleyan University, located at that place, and is now reading law there - to practise in Siberia. He has kindly volunteered a history of the Colonization of Siberia and of the early Siberians, for our "Herald"; and, I presume, he desired a list of the early settlers of Illinois and of Palmas for this purpose. He would be happy, I believe, to be put in possession of a set of your excellent "Journal". It would help him much in his present work or for a more extended publication than now determined upon.

I intended solely a little pleasantry about refunding any portion of the freight money, which might not be collected on the boxes lately sent me. I regret you have conceived otherwise.

Yours with great respect & esteem,

Wm Copping
