

Dr James Hall

My Dear Sir,

190

I have been written to many times about the money \$50. retained by me from Susan Freeman's heirs to meet any legal claim for expenses in Africa. To day I have another letter. I think it has been retained long enough. Will you see A. Garrett if you doubt. It is now three years since I retained the money & no proper claim has ever been made.

Hope your lameness is less severe and painful. Give kind regards to my subscribers at St. Dennis, also to George.

Will not Satoh celebrate his name by aiding to build the first Steam boat for Liberia? I think the money will be all eventually repaid & if not, it will do much to give Liberia a character & render it attractive. If you come North we shall be glad to air your ears with our noisy household.

N.Y. June 30th /59

Very truly Yours,

J. B. Pinney
