Editors of Colonization Journal:

You will please send me by mail at your earliest convenience that number of your journal containing the report of Senator Pearce of Maryland in reference to the removal or enlargement of the Free-Negro population of your State. This report was made I think to a Convention of the Slave-holders of the Eastern-Part of Md. and was published I understand in your journal some time during the last year.

Any other matter touching this subject will be gladly received by and paid for by

Yours Respectfully
