James Hall Esq.
Editor Maryland Colonization Journal
Sir

I will be obliged to you to send us, for our State Library, the numbers of your Journal published since May last. I do not mean this as a permanent order for the journal, as it has already been ordered in vols through one of our booksellers. The numbers now asked for will be paid for on their receipt, if you will let me know the cost.

The special object for which these numbers are now urgently wanted, is to obtain a report made to some body, perhaps to the Col. Socy itself, adverse to the forcible removal or enslaving ^{of free negroes,} ^{pubd in your journal} - Some such measure is now in agitation among the members of our legislature, and the report mentioned is wanted by one who is opposed to such action & wishes to fortify himself against the measure. You
