

That the whole fund appropriated by
Congress for the transportation and support
of the freedmen should come to the benefit of the freedmen
of Liberia & be placed at its control
I trust however that the spirit of the Liberian
Government will be both just & liberal and
disposed to agree to all such terms and
conditions as shall tend to advance
with the prosperity of Liberia and
the benefit of the freedmen

Pray Almighty God preserve
you my dear Sir & your daughter & give
you a pleasant & easy improved health
to both & great success in your mission
I am Sir your obedient servant
