There are about 1600 of Mail
Matters (A C Journal) sent to this Office, none
of which is ever called for! Some of the Posters
have died off long since, others removed, whose
names I now submit and return. If the others
are not regular subscribers, I am not sure
but that you had better discontinue them other
wise the Postage should be prepaid at the Office
of deposit, which would cost you about 800 on
yearly - The intelligence they impart is not
appreciated by 90 per cent of those they are sent to
& would not be read unless distributed broad-
cast by Colporters - but no one will pay a cent
postage for them - I make these remarks upon
my own responsibility after long observation
thereon, but finer Post matters will be
with their delivery

Respectfully
