The Citizens here generally oppose your wish to do away with all display, & have concluded to give you a voluntary salute of 21 Guns, and instead of appearing in regimentals, receive you on your landing in plain Citizens dress, this much only they have acceded to your wish, they will accompany you to the old Govrmt House, where there are only a few foreign Strangers, where you may remain on the Piazza 5 to 10 or 15 minutes then you can come to my house where I will be ready to receive you, and those whom you would like to see will call on you but stragglers will keep aloof.

What hour will ^{you} come on shore does Kate, may I call her so, come with you? please let me know my breakfast hour is 8 o'clock, if you will come to it, ~~you~~ will be rid of all display, as they will
