Wife is distressed but
Company of Chever depend
at on the row! and they
all set, one of the little ones
body.

Mrs Harris has also been
seriously ill but is
recovering - Mr Tolson
lost the hole but is
Turkey doing well -

Little Helen looks very
delicate & feeble - I
see them as often as I
can -

Jeppah more than ever
so I feel the importance
of an interior attempt
I believe the Court sitting
would not be out
it not for emigration
of Harris is seen

what it is found would leave
it - effort must be made
in the interior, away from
the margins of swampy
tracts of land.

Let a company of Liberty
first open an interior
settlement, say fifty miles
interior, at Harris he
by then prepared for em-
igration (in part at least)
and let the company go
and immediately the Army
ammunition should be pro-
vided them & 250 men
armed to defend to the
extremity. The attempt to
be made by one of the
St. Johns, a Cavalry
going easy a case to
the Court for trade
the Court being only
occupied by God
