I think we can occupy it
by X times if the men will give
us plank. - We have been dis-
appointed in getting any from
Monrovia. The partitions on the
2^d floor are of pine, ceiling
of Brimstone - all the other
partitions & ceiling & flooring
are of Brimstone. - Unless
from a good friend in Baltimore
we should shortly get some
pine flooring. - I wrote you for
some chairs, but the State of the
County has presented doubtless
their shipment. I have written
to New York for them.

We have appointed Dr. John Reading
Physician at a salary of \$150 a
year and his Mother Matron at
a salary of \$125. New appointments
were made yesterday. - We are
about applying to the Legislature
for a donation in aid of the Hospital
