My dear Sir

I send to you care by
 mail to day. an Arithmetic. from Dr
 Adams of Geneva - for Henry L. Toney of
 Siberia an Emigrant who went
 from N. Y. last November - & I
 also enclose herewith a letter for
 him - on which I write (as I do not
 know his exact locality) your words
 Superstition. The place of his residence
 in Siberia - presuming that you
 may know the spot -

These are dreadful times for
 our cause - Both negroes & white people
 are all agog with expectation of what
 is to come - & so all stand with eyes
 mouth & ear wide open. ready for the
 next wonder - but do nothing! The negroes
 expect the millennium. & their white fanat-
 ical brethren. are frantic with little visions!
