

I send my paper on Liberia. The discussion
carried on by 5 Colored men was very excellent
and very much esteemed and welcomed with
applause by a large audience of ladies and
and gentlemen. I am happy to say that the
address, ^{not} now enclosed, to President Benson, which
is already signed by several hundred most
respectable Englishmen, and will be further signed
by Irishmen I hope, will be presented to him
at a public Banquet to be presided over
by that "ami des noirs" Lord Brougham. Can
you get some signatures? London May 30. 62
