The paper is not with fever, the
plaster between her shoulder is
a little under. We have a capital
man at our New Station Bookstore
Mr. Allen - & his wife (his name)
Two other German's from the
Wesley Mission want to join
us. The Mrs. Lutz is well: his
wife, keeps up, labours much,
but at any time she

Erickson is with them, has
pretty poor health.

We have long expected to see
John Love - we heard he was
at Moscow - & hope soon to
see him. The oil season is
a remarkably good one.

Dr. Gedyon has very poor health
& Dr. Fletcher has his hands
full.

How much we are sympathizing
