Dear Sir,

Of the result of my interview with the Executive Committee at Washington, I trust you are aware - it is only necessary for me therefore to say here, that as it is considered by them my cause might best be served by the Directors at the Annual Meeting in January I would earnestly desire your sympathy.

I here forward two copies of my Appeal for the relief of a few of my fellow-countrymen - one for self, and the other for your son. And in presenting it to a benevolent public I feel morally convinced that if it meets ^{with} a successful response, ~~it~~ will assist to set on foot an Emigration the result of which
