Dr. Hall

Dear Sir

I have concluded
to send my sons a Hoghead of
Tobacco as I have just received a
letter from them and they are
in need of it as ^{their} crops have fallen
short, therefore Sir you will
oblige me very much if you
would write to New York and
have your agent send out a hog-
head of Tobacco as small one
as can be purchased if you
think it will be in time to
go out in the vessel if she
had not already sailed

then draft on me for the
money have it directed to
The A. M. Bishop no more
Yours very Respectfully The Bishop
