

Dear Sir

MSA 26 125

Dr McLain's letter came too late
to enable me to prepare, in time for the mail,
the "Statement" referred to. It shall have
early attention.

Yours very truly

Say. I thought I had given a
Construction on the resolution of the
Board as placed it in the most fa-
vorable light. I cannot imagine any
meaning in "the unpaid part of the
Principal," unless it be what I stated.
I cannot make it any thing else.

I was perhaps ~~was~~ speaking without
authority when I said "We propose to pay
the Principal & unpaid interest when the
Ship Golconda is sold or lost & her insurance
recovered." That is certainly not the
wording of the Resolution of the Board.
