

Colonization Rooms,
Washington, D. C. 15th Oct 1868

My Dear Sir

Yours of the 12th is received. In reply to what you Sawyer says, "that a mortgage of the sort is not usually drawn without some fixed time of payment being inserted", I can only add to what I have already ^{said} that the original resolution of our Board on which the loan was made did not stipulate for a "fixed time" to be inserted in the mortgage. As I have already said I cannot fix any thing more than the Board has done. I do not think it worth while to ask our Ex. Com. to do ^{it} for they entertain the opinion that we are not bound
