My Dear Sir

Mr. Dennis says, "Our large boat is thoroughly rotten & I have been trying for the last six months to get her repaired & can't get it done. I send you her with a draft for \$400. Please send me two boats of the same model & size of the large boat that now belongs to the Colonda. I prefer boats of that size. But if they cannot be had, then send me another large boat like the one I have." Will you please buy the boats for him or have them made if there is time. The letter & draft came by English mail last week but I did not want to give an order on it till I got it accepted - as it was at 30th of the Ep. Rev.
