Dr James Wall

65 Second Street. Baltimore.

Dear Sir

I enclose, for your information, copy of the action of the Board of Managers of the Penna Colonization Society in relation to the transportation of emigrants to Siberia by the Golconda, at hand this morning. Also copies of the evidence of John Laven and S. S. Powers - which has been kindly furnished with the understanding that no use is to be made of it to the prejudice of the parties, and my letters of March 16. and 23. 1868. Copies of Mr Lundy's letters and of my testimony in Philadelphia have not been sent us.

Have the goodness to return all the papers at your earliest convenience as they are yet to receive the consideration of the Executive Committee.

Very respectfully Yours,

Wm Coppinger
