Dr James Hall

Baltimore, Md.

Dear Sir

Your favor of the 27th inst came to hand this morning. I am obliged for its enclosure which shall have place in the next (September) number of the Repository.

The several bills, resolutions and amendments submitted to the late Congress in relation to the carriage of passengers on the ocean, failed to become laws. We are therefore to act under the old dispensation of things - which is good enough for us and our proteges.

Dr McLain is rapidly improving - is able to be down stairs.

With high regard

Very gratefully yours,

Wm Coppinger

P.S. I am asked - "in what way or on what terms do the aboriginal natives under Siberia's jurisdiction become Citizens of the Republic?" I am unable to answer. Can you or Mr Geo: Hall enlighten me? W.C.
