Dr. James Hall

My Dear Friend
On the return of
Mr. Lippard and myself
to this city about three
hours hence, from
Illinois, where we had
spent a week with
our son Lewis & his
family, your letter was
received -

Our hearts bleed
at its astounding contents!!
Your beloved Daughter
dead!! One whom we
had known so long,
and loved so much!
Is it possible? Can it be?
O how uncertain and
unstable all earthly
