

on whether I shall desist it from my mind
I presume you are aware that our Board
here have passed resolutions expressing the
most hearty cooperation with the Parents:
in carrying on the work, and that we are
ready to aid to the extent of some \$9000
towards the next expedition. It is quite a
disappointment to some of us that it does not
go out this next month, and yet we are
quite convinced that the decision resolved
upon by the Ex: Com: is a judicious one
under the circumstances as they stand

Very truly yours
