Dear Sir

Your of 13th inst is at hand with your check, and receipt for Chromometer for which I am much obliged. I thought by what I heard outside that the ship if she went to Liverpool would go right away without much delay. I did not know that you were going to lay out so much money on her. I am much obliged to you for your kind letter. I hope that I may find employment after the Election, I have had so much sickness in my family that the Dr & Surgeons bills are very large. My family are well now, send you a receipt for your check.
