Monrovia, Nov. 23, 1868

James Hall, Esq. (N. D.)

Dear Sir.

H 1926

Your kind letter dated in August last has been duly received. I regret very much, that there should have been an apparent necessity for the rebuke you so kindly administered. I beg you to accept my sincere apology.

You will allow me to state, however, in palliation of my seeming neglect that I wrote to Mr. Coppinger via England and under the pressure of numerous engagements, and to save expense of postage I thought I would say to him all I had to say on the subject
