Hampton Roads Novth 5/90
Dr Hall Dear Sir
I received your letter
by Mr Cobinger about the
Water & I am happy to say
that the ship will be
put to no more expense
on that head for the Coaks
have stoped leaking & we
have at least 15000 gallons
of water on board at present
& I think that is plenty
Mr Cobinger asked me for
the \$500 five hundred dollars
that I received from your
son for Mr Dennis & I gave
it to him taking a receipt
for the same your son told
me if Mr Cobinger asked me
for any of it to let him have
it so I suppose it is right
