

Da pater augurum, atque animis illabere nostris!" and signed William A. Hammond, M. D., Assistant Surgeon, U. S. Army.

Dr. Lindsley offered the following amendment to the Constitution, which was seconded by Dr. Gunn:

"In Art. II, omit the words 'Medical Colleges,' and also the words 'The Faculty of every regular constituted Medical College, or chartered School of Medicine, shall have the privilege of sending two delegates.'"

The amendment lies over until the next meeting of the Association, under a rule of the organization.—*Nashville Journal*.

Philadelphia, June 1, 1857.

Dr. J. BRYAN:—Dear Sir—Herewith I send you copies of formulæ for medicine, that I have used for many years with great success. Hoping they may benefit your readers, I am yours, truly,
JAMES MCCLINTOCK, M. D.,
Late Professor of Anatomy and Surgery in the Philadelphia College of Medicine.

1. *Pectoral Syrup*.—Lini Semina—Marrubii—Eupatorii—Ipecac rad—Scillæ—Glycyrhi Rad.—Arum Rad—Ascleps Tub'ra—aa ʒi to Oj.

Infuse in boiling water and remain until cold.

Prunus Virginia—ʒi to Oj.

—the bark to be broken coarse and infused in cold water for 24 hours.

Senega Radix ʒss to Oiss—to be boiled down to 1 pint.

Chondrus—ʒss to Oiss—to be boiled down to 1 pint—previously to be macerated in cold water for 10 minutes to remove the unpleasant flavor.

After infusion and boiling, the results are to be strained together; one and a half pounds of refined sugar to be added to each pint of fluid, which is to be boiled a few minutes until a syrup is formed. After it cools ʒx of Hoffman's Anodyne Liquor or Spts. Ether, Sulph. Comp. are to be added to each gallon to preserve it. The syrup is afterwards to be flavored with Ol Amygdalæ Amara gtt. xv to a gallon.
