124 Doct^r James Hall
Dear Sir

Your favor of 22nd inst
is to hand with \$14⁶³ balance of acct
I am obliged to you for thoughts
in supplying me omission to
make the boiler water tight for
floating ashore - I did not think
on that point - or circumstances
altho I was aware that there to
be floated ashore - I saw
by a Boston Paper advertising
the Antelope that - Mr. Clark
of Boston has formed a copart-
nership with Joseph Roberts &
Colston M. Waring of Monrovia - under
the firm of Charles P. Clark & Co.
at least so I understand the
advertisement which might
have been more definite -

Yours truly
J. M. Schaffelin
