Dr Hall

Why did you send
back Roy's letter directed to
his son at Monrovia?

I sent it in the African
Mail at his request.

I have a few letters for
Liberia which I will mail
this evening to Medam at
Norfolk & enclose this
with them. I hope he will
enquire at the P. Office for them
if not I will thank you
to request George to do so.

All well at home
Hope you are, but fear lest
overwork should make you
ill. How many embarked
at Norfolk as emigrants.
Yours J. S. Quincy
