I've done the order for \$70000 accepted

Col. Office M.  
March 27<sup>th</sup> 1858

Friend Hall. I have for your sake decided to accept that draft.

If it was not your, I would not inasmuch as B.R. Wilson has sent me no letter of advice or explanation of his order.

I do not owe Mr Wilson any thing & have not any right to pay anything to him or his order but as drawn upon in his official capacity as Guardian of young Savage. I run some risk but don't care.

If I want to send young Savage any money pay \$1000 then the Stevens Ails, How had I better invest it. Gold or good?

Glad to say Putnam is favored.

Yours truly J.B. Pinney  
Gov. Sec.
