Dr Hall,

I congratulate you on the arrival of the "Hannah". George sent me a pleasant letter. In "the Stevens" was a stick of timber sent to me for veneering, i.e. to see if it was of any value.

I showed the letter to H. M. Schieffelin & he informs me that he will take charge of it if sent to him by "Cummings" line. Please attend to it for me & send him a bill of lading.

I have finally received a copy of the President's (Seaman's) message.

All well at home. I shall send some goods to Sewage.

Yours Truly,
J. S. Purney
