

New York April 7th 1858
Dr James Hall
Dear Sir

Will you please
inform me when the Mr. Stevens
will sail again for the west coast of
Africa, especially if any positive date
has been fixed. I have a ship-
ment to make to the African Missions;
similar to that made by Mr Hoffman
last spring, and there is no probability
of any opportunity from this port
for some weeks at least. In addition
to which reason, I should be glad
to give the benefit of the freight to a
colonization vessel. I remain

Yours very Respectfully
Wm Roberts Jr
