

no other determination but to pay you the
cash in your hand when I come to Bath in
Sept, next I have not the money now but
I expect to start on a begging and lecturing
tour in a few weeks in order ^{to get money} ~~my debt~~
to get money to pay my debts and to get
some necessary articles to make my home
and friends in Liberia a little more comfort-
able and also I am pleading the cause of Liberia
on colonizationism whichever you please to call
it and I have got two or three more converts
since my friends ~~who~~ ^{who} left us here and I
intend to do more and get all I can to
go when I go in the fall

and now you can inform
my friends in Liberia that I have not fulfilled
my promise in the spring as I had hoped I
would have been able to have done and I will
not impose on kindness to ask you to wait
until fall because it takes money to keep
up all expenses of the ship and as I know
