

next place of destination
will be - he does not say -
perhaps he does not know.
This state of things renders
it very uncertain to my
mind whether the Bainbridge,
which goes to the Cape de
Verde, in your vessel,
which has one advantage
over the Bainbridge in
sailing positively on the
1st of May will reach
him most directly, at London
where he probably may be -
at the time.

Pray excuse me for so
often trespassing upon your
time & give me as early an
answer as convenient.

Respectfully
