Dr James Hall

Dr Sir

I enclose you the bill of Lading for the goods shipped to your care by the Cromwell Line Steamers on Saturday, and send you within a description of the articles so that, if it is agreeable to you, you can include them in your own manifest. The freight to Baltimore is paid here, and I shall be happy to meet your demands for freight by the M & C. whenever you forward me the estimate. Awaiting your answer to queries in my last,

I am Yours very Respect
