

" that the little Steam Mill has been quite busily employed for or during the months of December and April last in which time there was made some 5000 Gallons of Syrup, and about 4000 pounds of sugar, and this season the M^r Coopers have a crop of some 12 acres or thereabouts growing finely and kept in good condition - I suppose that I've about 20 acres of cane growing and so far as I am able to judge it is in good order."

M^r Warner writes " the erecting of this Steam, Sugar Mill (the large one) - has induced
