

Boston Oct. 4th '58

My dear Sir;

Thinking that perhaps you might not have reserved a state room for me in the M. C. Stevens I write to inform you that I shall expect to take a wife with me, and should like to have the same state room I occupied on the voyage to America.

I expect to be in Baltimore a few days before the day of sailing. Mr. M. C. Linn and Mr. Curley have been written to in reference to my passage but I thought it best to write you direct.

With high regards

I am your ob. & servt.
