Dr James Hall

Dear Sir,

I thank you

for the letter & enclosures of the 11th.

It is indeed strange that a harp of
thousand strings should last so
long. Boston is full of notions.

If you would send the Stevens
as far as Lagos I could give
you 50 Emigrants from N. York.

Will you touch here and
take them? As I remarked
a year ago - the Stevens with a
small propeller could make one
voyage annually to all ports from
Lima down to Bahia and
another direct to & from Liberia

& thus extend commercial
business, carry Uncle Sam's Mail
& Co. & Co. & the African Squadron
across the Atlantic. I send you
the enclosed. I send you
