

Shup

Hartford, Conn. Oct 25th 1858.

My dear Sir,

My principal regret after a brief and most pleasant visit in Baltimore, was to have failed in securing an interview with you. - Thus, I had desired both for personal satisfaction, as well as to express my gratitude for those exquisite letters from your pen, which so graphically describe your voyages to and from Liberia, and the condition of that country in which Christian philanthropy is so deeply interested.
