My Dear Sir,

I have just returned from an absence of several days, and received your favor of the 10th inst.

I am glad the Lewis affair is adjusted: but in justice to myself, you will allow me to add a word or two on that subject.

I did not intend, nor did I suppose you understood me to say, in my letter of the 18th ult. that I would pay any bills of Mr. Lewis "at sight" after he had gone to Africa. I volunteered to stand between him and you
