

I hence my wanting to
know what dividend they
had declared. I supposed
I had overlooked it in the
Sun.

I started that Telegraph
the 27th at 1 $\frac{1}{4}$ o'clock
they promised that it
should be at your office
before 2^o. — But they
are a mighty poor set
of fellows in that
office — I I am afraid
we cannot make any
thing by "pitching into them".
Yours truly
