Dr James Hall

Dear Sir

A few months since I received
a letter from Emily Harber who has
been in Liberia I think about six
years, she says her Mother is dead
that she is suffering for the want
of food and clothes and begs me
to send for her to return and be
my servant again, she says she can-
not make her living, I do not think
she could any where for she had
been from a little child brought
up in the house only to do light
work I suppose she is now nineteen
or twenty years old, I enclosed her
letter to the Rev Mr McLean Genl
Agent of the Col^d Society at Washing-
ton City he said she could return
in one of their ships, for \$35-
