it well to send them by an early conveyance, if convenient. No doubt she would be thankful for this kind service.

We as yet received no payment from the Government but hope to do so in a few days, or at farthest a few weeks. If we had the money we would prefer having the interest on your pro shares, & perhaps you can stipulate for the reduction of interest on paper redeemed before it shall become due, if such a stipulation be necessary. I shall write to Dennis to day.

With great respect & regard
Yours truly &c
