Gentlemen

We have the pleasure of your recent communications accompanying a bill of the Boilers and account sales of Cedar Lumber.

We regret that we cannot communicate lengthily with you on the topic of Commission business. The absence of Mr F Payne and the unexpected sudden sailing of the M C Stevens require us to defer the reference to yours to which it is entitled.

We enclose you Bill Lading for nine Casks Palm Oil 1161 galls, which we wish you to sell on our account without delay to the best of our advantage and place the same to our credit.

We take this method of putting you in funds to make payment for the Boilers to remitting you bills on which we could realize nothing.

We accompany this with an Invoice to avoid any difficulty.

With many thanks
