Dr James Wall  
 Baltimore.

My Dear Sir

President Benson

wrote me, under date of July 10<sup>th</sup> last, that he  
 had sent <sup>me</sup> a "sack of Siberia coffee, Consigned  
 to the Care of Dr Wall, with invoice, so he may  
 clear it through the Custom house." I presume  
 that it was shipped by the "M. Stevens", and not  
 having heard further in regard to it, I beg to  
 inquire if you can give any information as to its  
 whereabouts?
