

Son George - I think he is entitled
to share equally with the father in this
matter. If you are satisfied, I feel
happy. Aside from the promptings
of my own heart, nothing has stimulated
me more to faithfulness than a
desire to prove to you that your con-
fidence in my fitness for the position
was not wholly misplaced.

The kind of frank manner in which
Mr. McLain has acted towards me
has also contributed in causing me
to take great interest in the Society
matter & I spare no pains in
trying to satisfy him - But, My dear
sir, I have it pretty unpleasant on this side
the creek sometimes with the fowls that
it has been so ever since the arrival of
Receptives.

I have trusted to much upon your
time & patience & I must close, hoping that
you will pardon me this time.

To Dr. J. Hall
Baltimore
Md.

I am sir,
yours very truly,
A. W. Denning

P.S. If you think I should not bear the loss of
Skipwith's box - you will please send me the
amt in half boxes of flour A. W. Denning
