Dear Sir

I am requested by Peter Butler to ask you to inform me for him at what time the Schooner Caroline Stephens will sail for Liberia, Peter informs me that he promised to notify you in time, if there should be any one who might wish to emigrate to Liberia this fall, there were several who spoke of going at one time but as yet he does not feel satisfied of any who will undoubtedly do so, the law which is to be voted for affecting that class of people and which if carried would send a great many, but so much doubt exists as to its passage that they seem as yet undetermined, If any should apply I will give you information, so that an agent may come for them yours very respectfully.
