

Catherine Carey

Dear Mother

I have just received your kind letter of the 10th inst. and am glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. I am still in the city and have not yet had time to go to the country. I have been very busy with my school and with the preparations for the winter. I have also been thinking much of late about the future and about the duties which I owe to God and to my fellow creatures. I have been reading much of the Bible and of the lives of the saints and have been struck with the beauty and grandeur of the Christian religion. I have also been thinking much of the poor and of the suffering and have been desirous to do something to relieve their distress. I have been thinking much of the poor and of the suffering and have been desirous to do something to relieve their distress. I have been thinking much of the poor and of the suffering and have been desirous to do something to relieve their distress.

Truly yours  
Catherine Carey
