

of Mrs Moore

Dear Madam

Myself is in Africa
I will not probably return till one year from
next Spring. Mr Sarg was on the ship to
join him, & expects to have with you to go with
him. Our vessel will sail for Liberia about
the 10th of Feb.

Our ship will sail on the 1st of May
as usual. If you require what to take out
I believe, I may respectfully yours

Thomas, West
