

Baltimore August 11 1860

Mr. S. Q. Williams
Herrington Pa.

Dear Sir, In answer to your letter of
day before yesterday, offering to give your note for a voyage
passage to Liberia, to be paid on arrival at, I can only
say you can go on those terms. You cannot think
the Society illiberal not to take you free, as their ship
would be filled with many more people with dead heads
The ship will sail May 1st or thereabouts. Public
notice will be given the Colonization papers in case of
execution for that time

Respectfully Yours, James Hall
