Dear friend of my friend.

is with

You can find your baggage at the
house of the Doctor & worth that -
you will find no difficulty in
reaching it either by taking a
hack or following the team of
your baggage - If you are weary
of your travelling I think you will
find it advisable to take a
hack - which will carry your
baggage too -

Very truly yours

G. W. M. M.

My father has a letter today from
your sister dated Feb. 15th. She was
well -
